

Suno™
esquemas de ligação (cont.)

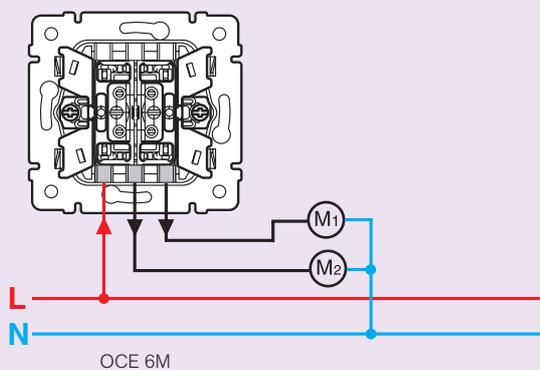

• Ligação em comutação de escada

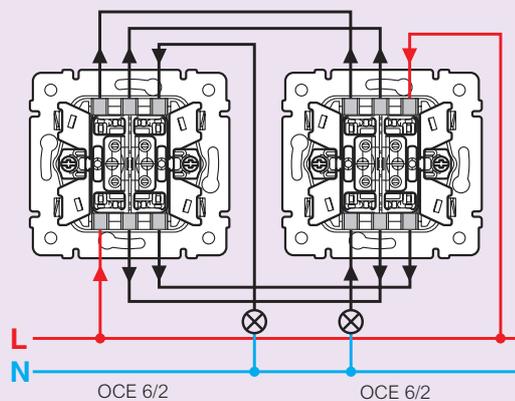

• Comutador de escada luminoso

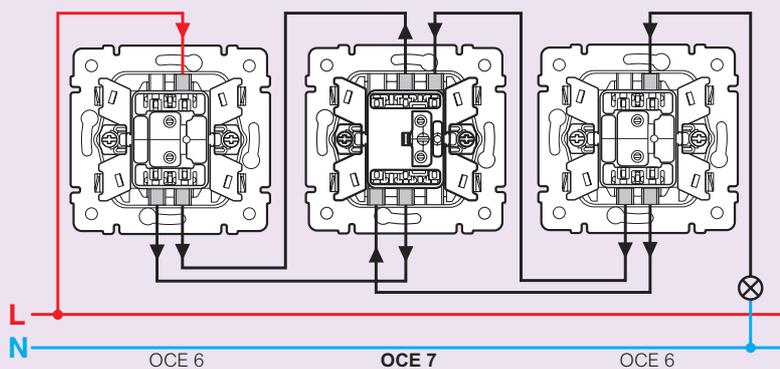

• Comutador de máquina de lavar

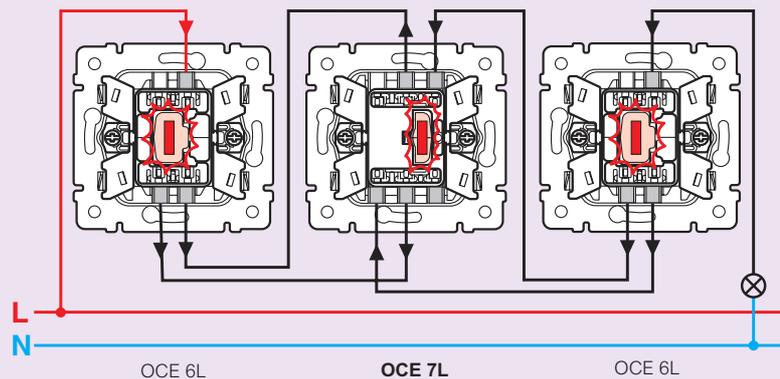

• Comutador de escada duplo

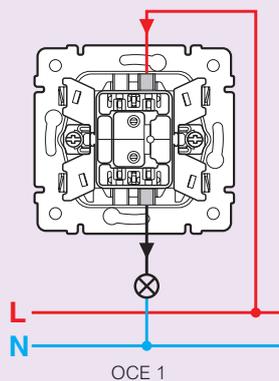

• Inversor de grupo

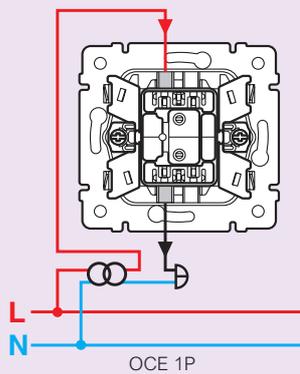

• Inversor de grupo luminoso

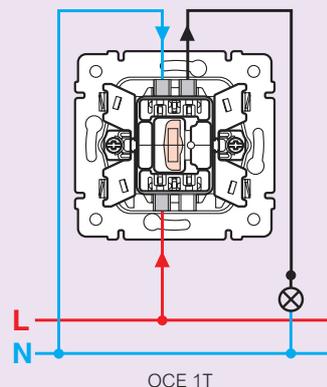

• Interruptor

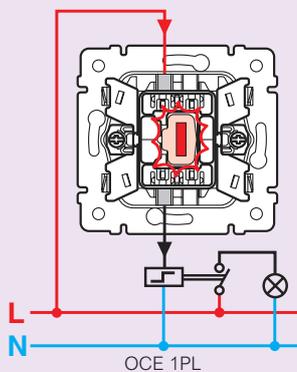

• Botão simples

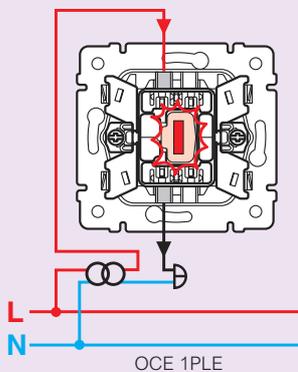

• Interruptor com sinalização

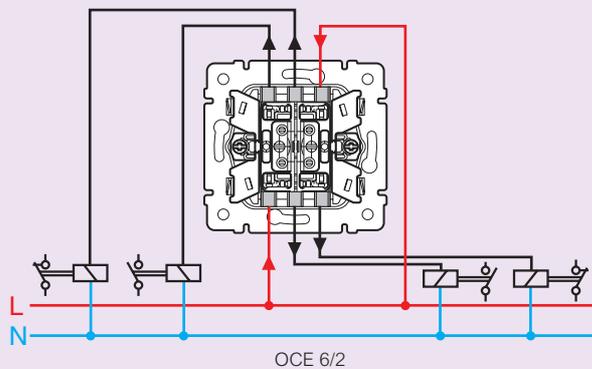

• Botão simples luminoso com símbolo lâmpada

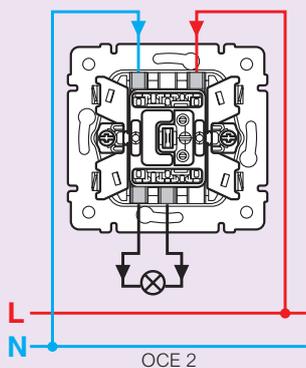

• Botão simples luminoso com símbolo campainha

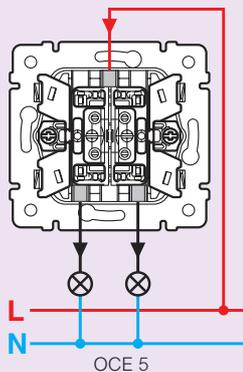

• Botão duplo inversor

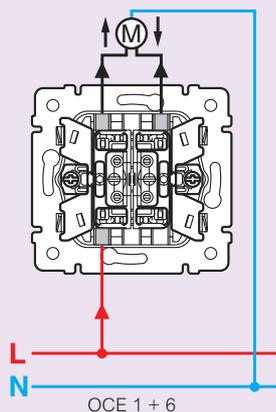

• Interruptor bipolar

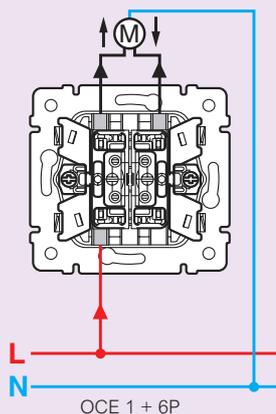

• Comutador de lustre

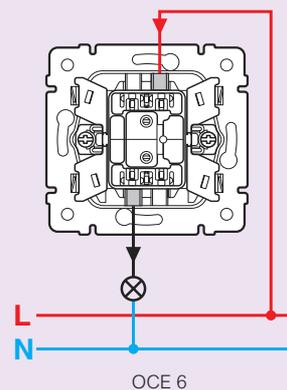

• Interruptor para comando de estores

• Botão para comando de estores

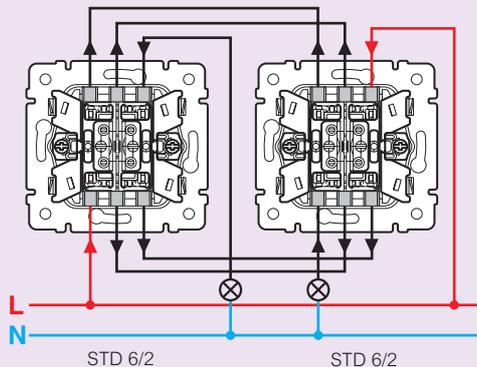

• Comutador de escada

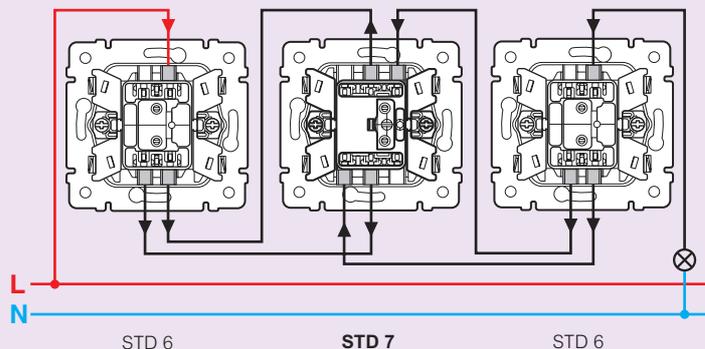

Valena™
esquemas de ligação (cont.)

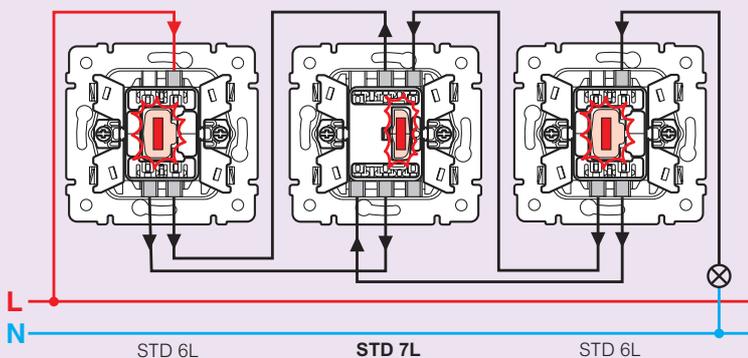

• Comutador de escada duplo

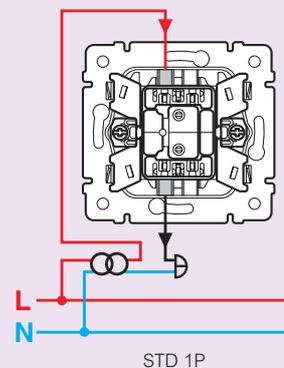

• Inversor de grupo

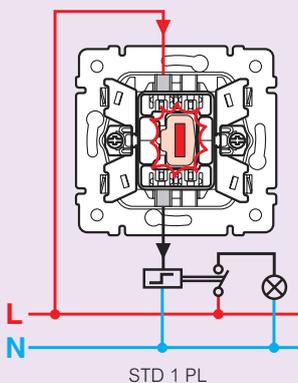

• Inversor de grupo luminoso

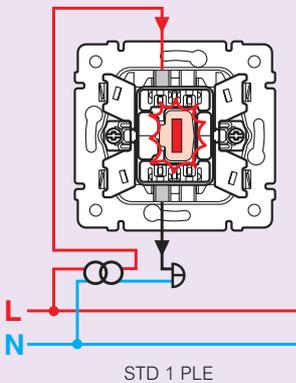

• Botão simples

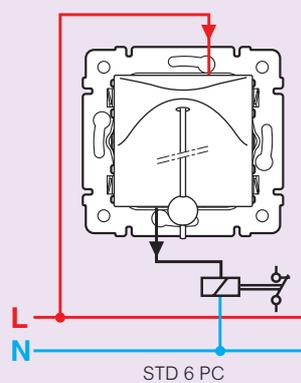

• Botão simples luminoso com símbolo lâmpada

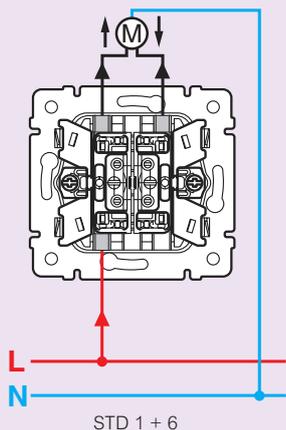

• Botão simples luminoso com símbolo campainha

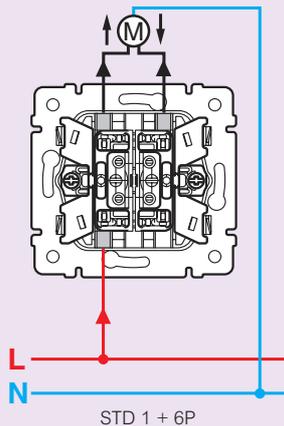

• Botão inversor de comando por cordão

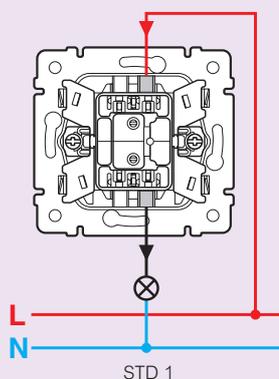

• Interruptor para comando de estores

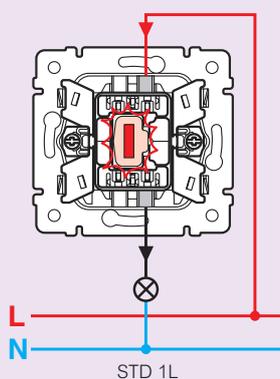

• Botão para comando de estores

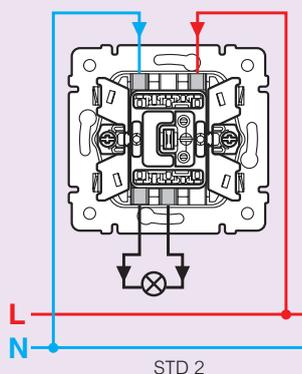

• Interruptor

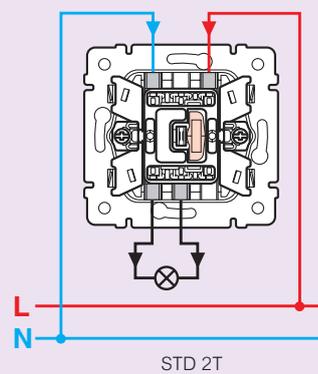

• Interruptor luminoso

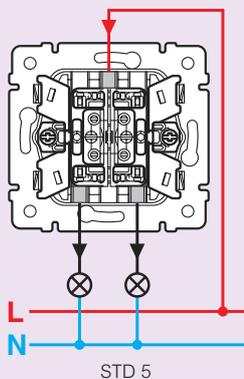

• Interruptor bipolar

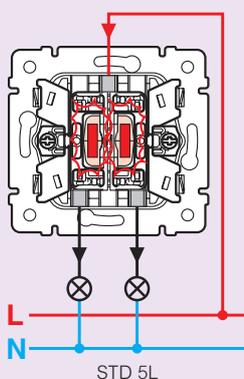

• Interruptor bipolar com sinalização

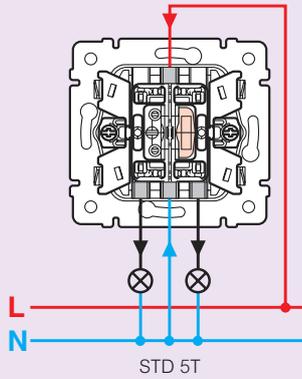

• Comutador de lustre

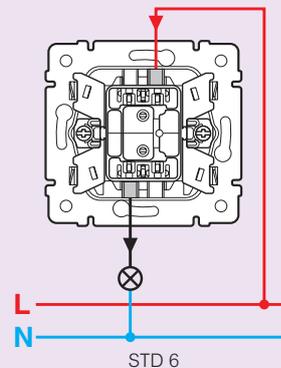

• Comutador de lustre luminoso

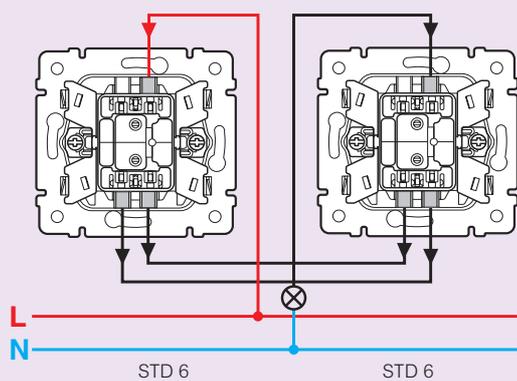

• Comutador de lustre com sinalização num circuito

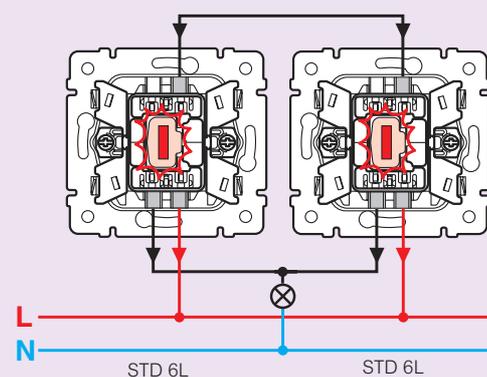

• Comutador de escada

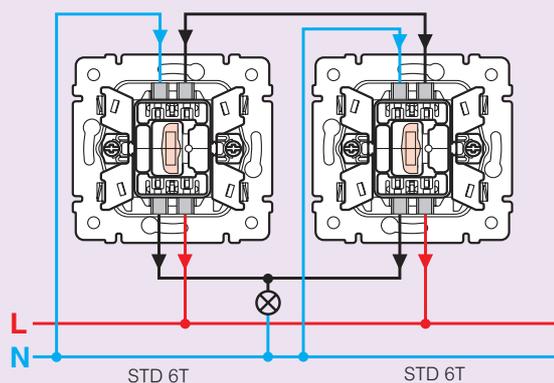

• Ligação em comutação de escada duplo

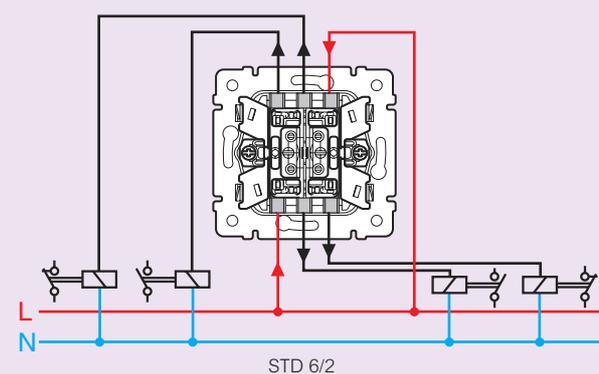

• Comutador de escada luminoso

• Comutador de escada com sinalização

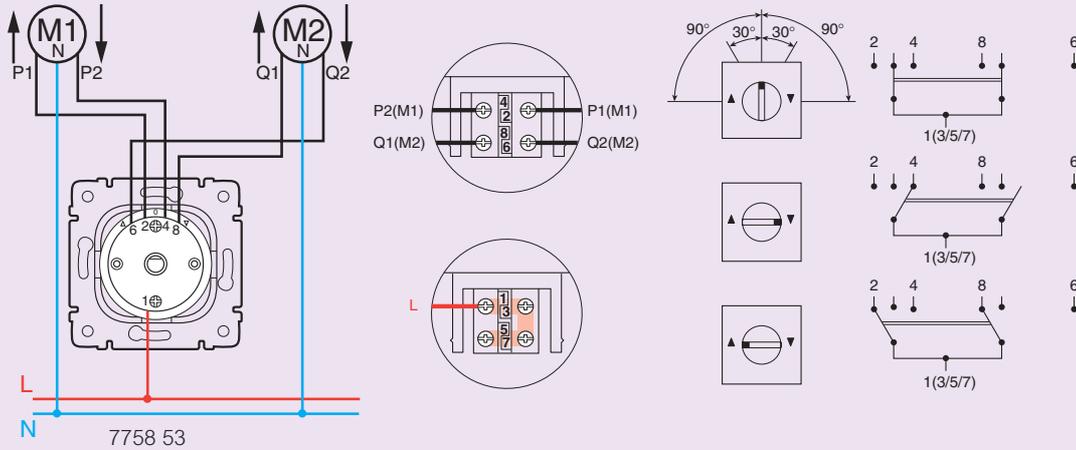

• Botão duplo

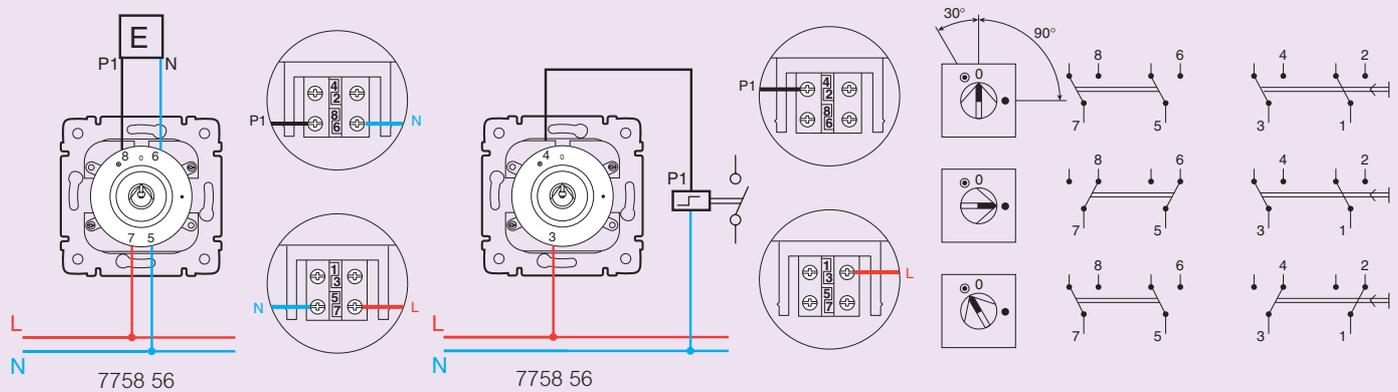

Galea™ Life

esquemas de ligação

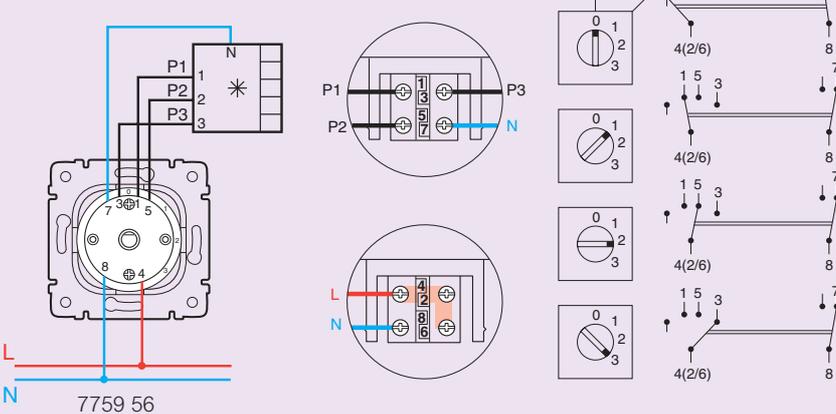

• Comando rotativo de estores

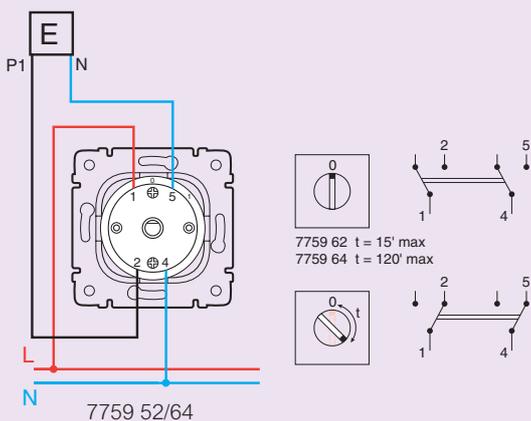

• Interruptor + botão com chave

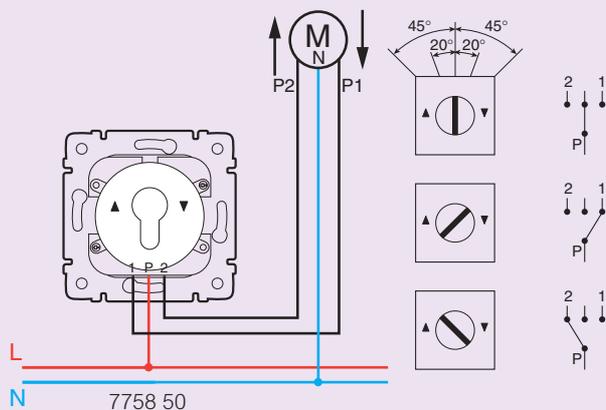

• Comando de ventilação (0-1-2-3)

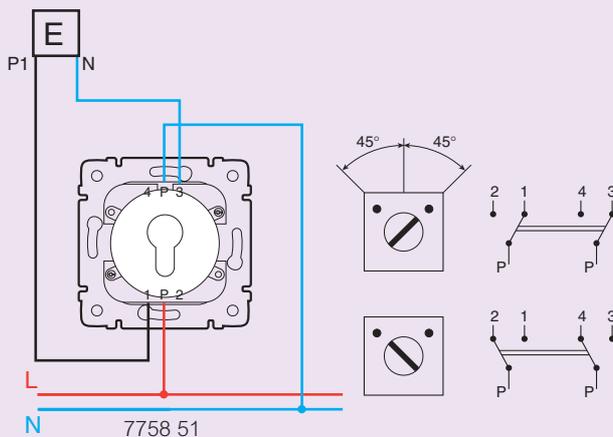

• Interruptores temporizados

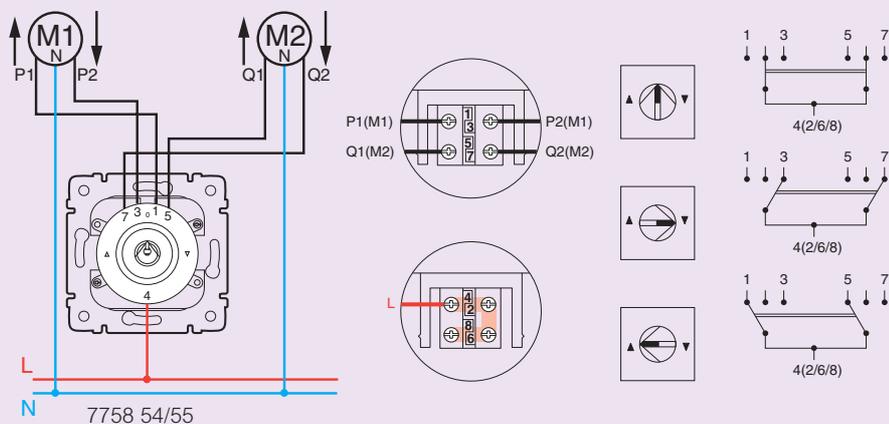

• Interruptor chave Ronis

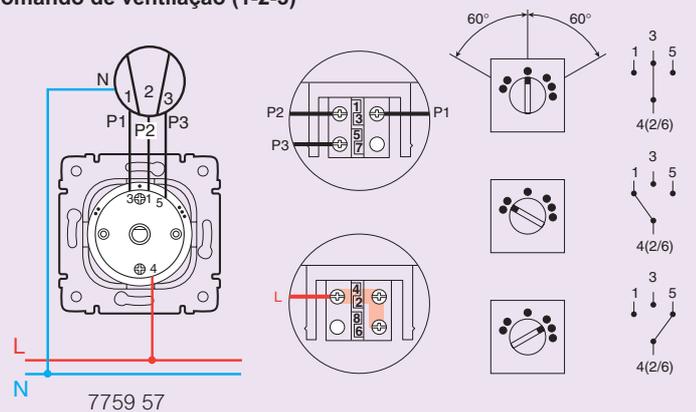

• Comutador chave Ronis

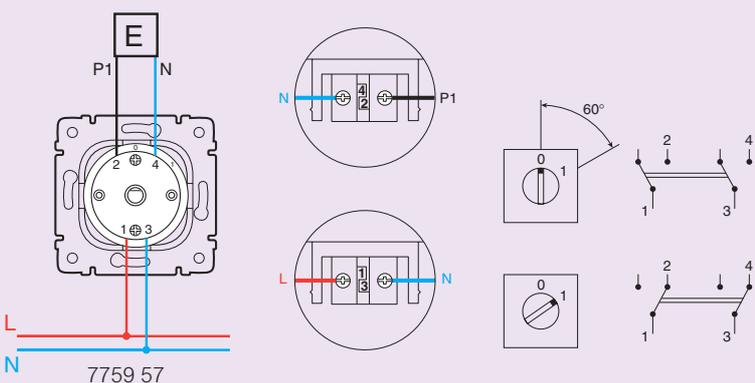

• Comando de estores chave Ronis

• Comando de ventilação (1-2-3)

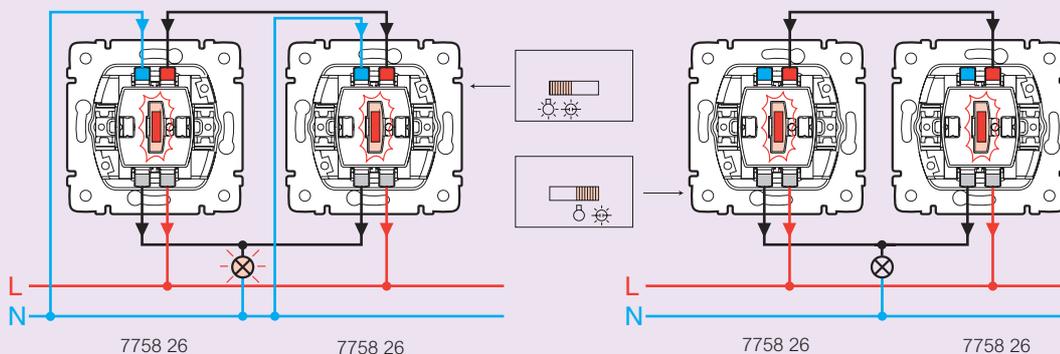

• Comando rotativo 32 A

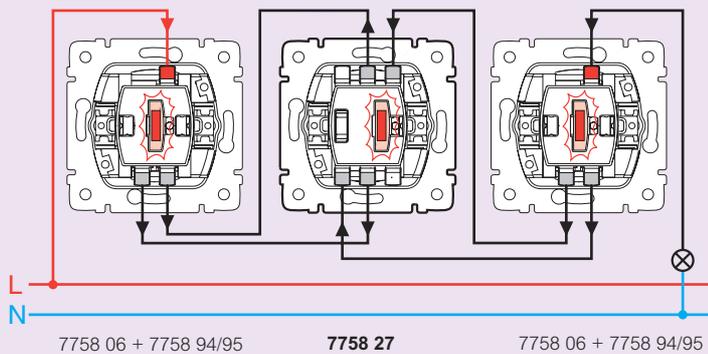

Galea™ Life

esquemas de ligação (cont.)

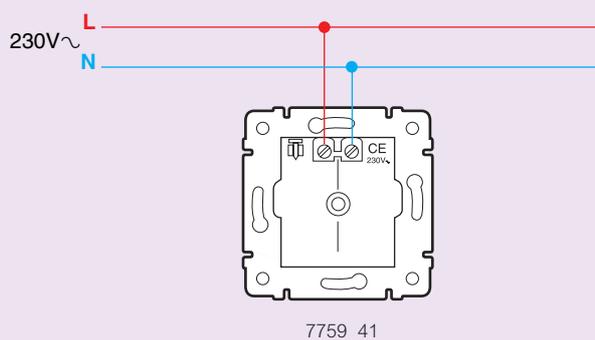

• Ligação em comutação de escada

• Inversor de grupo luminoso

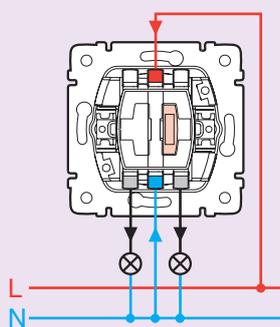

• Piloto autónomo de balizagem

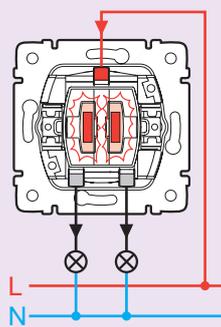

Galea™ Life
esquemas de ligação (cont.)

• Comutador de lustre com sinalização 1 circuito

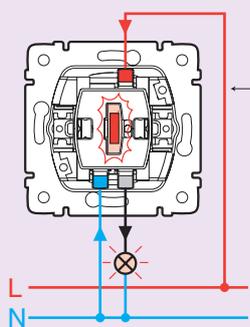

7758 45

• Comutador de lustre luminoso

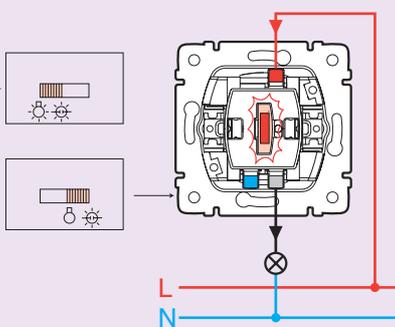

7758 25

• Interruptor luminoso

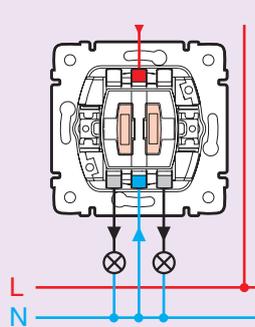

7756 00

• Interruptor com sinalização

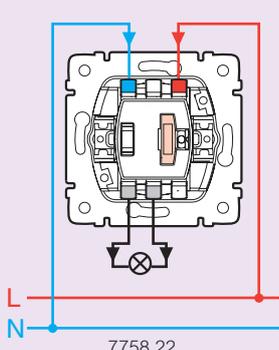

7756 01

• Comutador de lustre com sinalização nos 2 circuitos

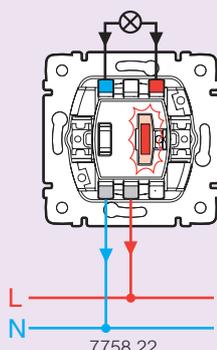

7758 69

• Interruptor bipolar com sinalização

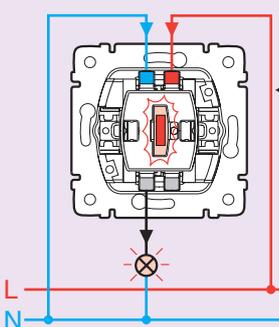

7758 22

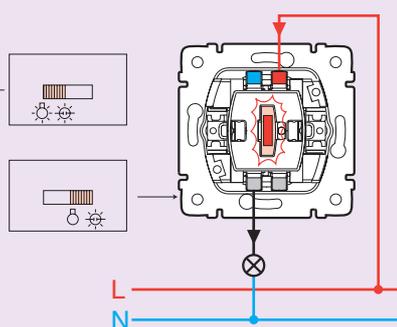

7758 22

• Comutador de escada luminoso

7756 02

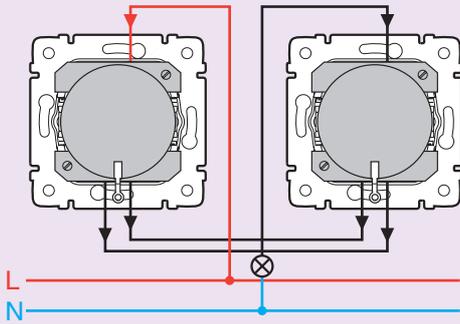

• Comutador de escada com sinalização

7758 20

Galea™ Life
esquemas de ligação (cont.)

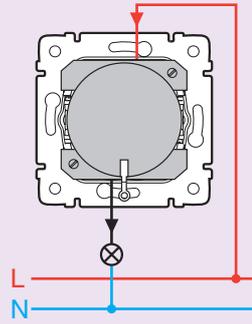

• Ligação em comutação (comando por cordão)

7758 09

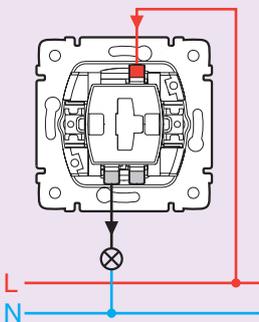

7758 09

• Comutador comando por cordão

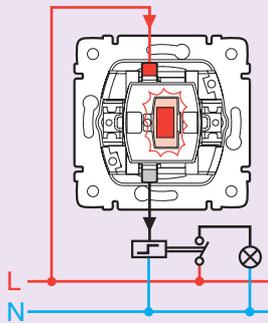

7758 09

• Botão simples

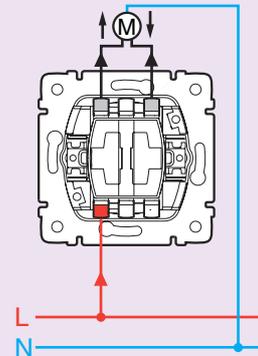

7758 11

• Botão simples luminoso

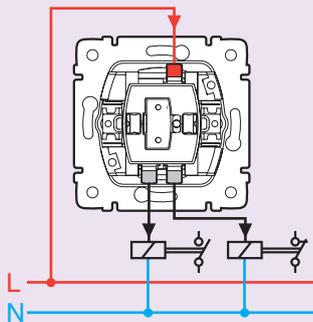

7758 13

• Botão para comando de estores

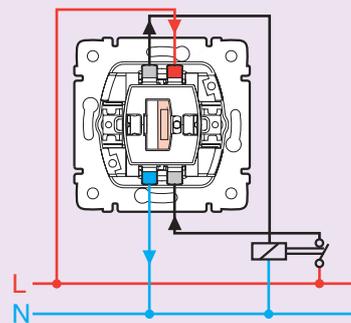

7758 14

• Botão inversor

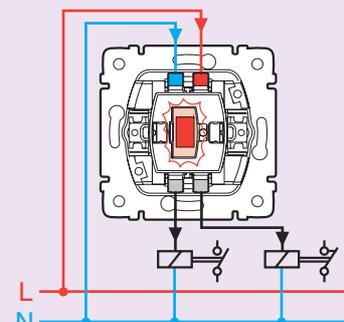

7758 16

• Botão luminoso com contacto auxiliar

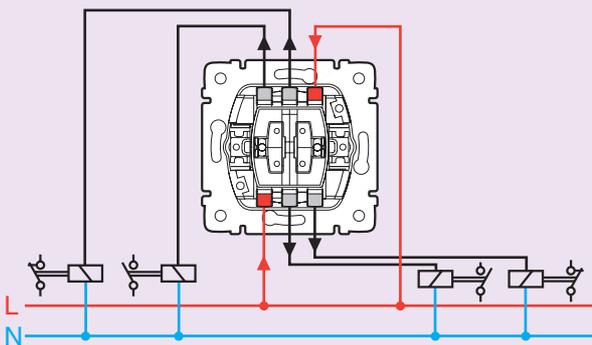

7758 17

• Botão inversor luminoso

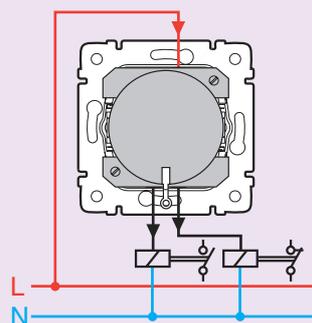

7758 46

• Botão duplo

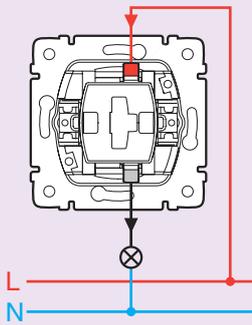

7758 18

• Botão inversor comando por cordão

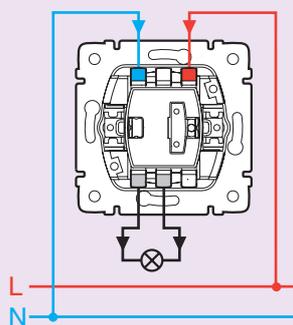

7758 19

• Interruptor

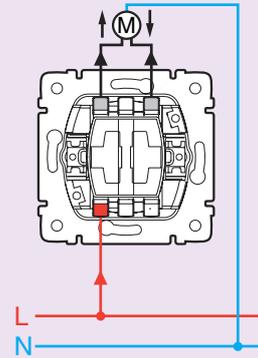

7758 01

• Interruptor bipolar

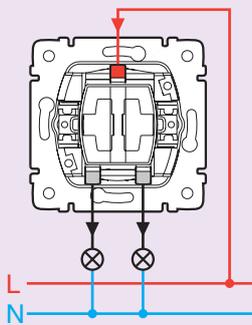

7758 02

• Interruptor para comando de estores

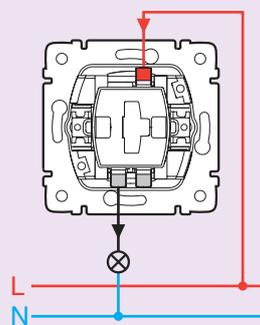

7758 04

• Comutador de lustre

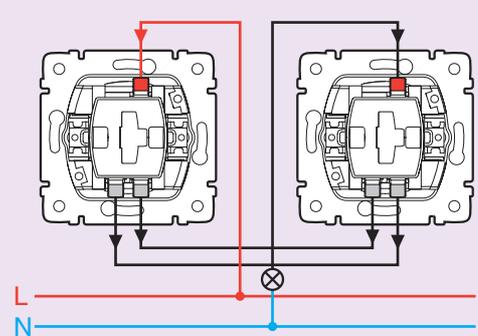

7758 05

• Comutador de escada

7758 06

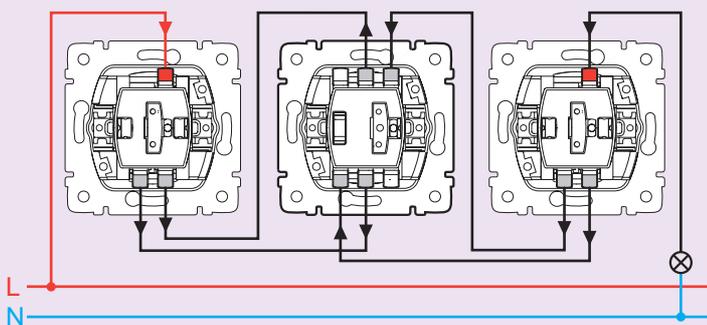

• Ligação em comutação de escada

7758 06

7758 06

• Inversor de grupo

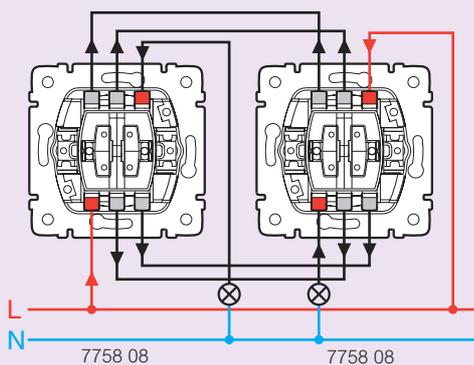

7758 06

7758 07

7758 06

• Comutador de escada duplo ref. 7758 08

7758 08
